FAREWELL

I

Gayly float our pennants from on high,
Fanned by June breezes 'mid sweet flow'rs;
While the seniors' parting song and sigh,
Vie with laughter to win these last dear hours.

Chorus: Farewell to thee,
Farewell to thee,

Dear Woodward's walls send back the sad refrain;
One last fond hour, before we say "good-bye,"
Until we meet again.

II

We have loved thy old historic name
Dear Woodward, Alma Mater best!
We have caught thy spirit's ardent flame
Brightest light of the Queen of all the West.

Chorus.

III

Grateful memories we take away,
Rich heirlooms of the days now past;
Rosy hopes run on to show the way,
And a time when we all shall meet at last.

Chorus.
